GENERAL INFORMATION
Aimed at presenting current research being carried out in that area and scheduled to be held Dec. 16-17, 2014 at Pattaya (Thailand). The idea of the conference is for the scientists, scholars, engineers and students from the Universities all around the world and the industry to present ongoing research activities, and hence to foster research relations between the Universities and the industry. All the registered papers will be published in the printed proceedings with ISBN number & CD of ISAET Journal with ISSN number (please see ISAET journals at: http://www.isaet.org/journals.php) and both will be provided at time of the conference. The printed copy of the journal can be obtained by additional cost of USD 50 + Postage charges after the conference. If any person do not like to get the paper/abstract/poster printed in the ONLINE journal then please specify that at the time of submission of FINAL Paper or at the time of the conference. This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

SUBMISSION METHODS
*Both the "oral presentation" and "Poster presentation" options are available Please mention your choice at the time of submission
Also mention that if you like to have "Full paper" OR "ONLY Abstract" in the Printed Proceedings Prospective authors are invited to submit full papers including results, figures and references. Paper will be accepted only by:

1. Email the formatted paper/abstract/poster according to the .doc template paper (in .doc or .docx format) ONLY at email id:- info@isaet.org
   Please write the name and city of the conference in that email. (Please use this method for the Fast Response)
   OR
2. Electronic submission through the conference web site (Click on the Paper Submission link)
